

INTERACTIVE DIGITAL NOTICEBOARD

Revolutionising resident communication

Discover how VIVID Homes took resident engagement and communication to another level!

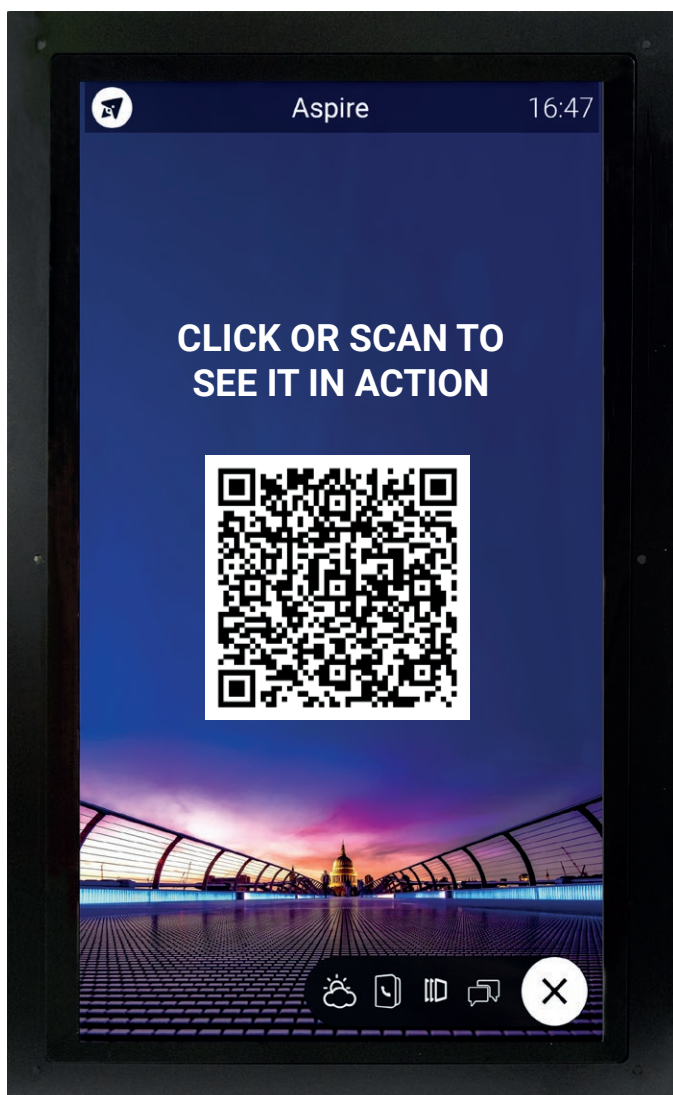

Secured by Design

Official Police Security Initiative

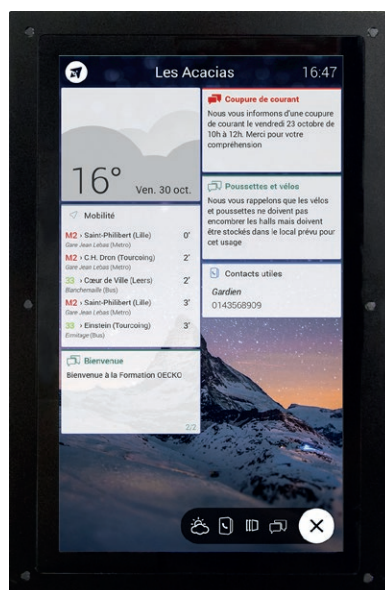

In today's dynamic environment engaging effectively with residents is no longer optional — it's essential. From meeting Building Safety and Tenant Satisfaction Measures (TSM) requirements to building trust and fostering community, communication tools need to evolve.

Introducing digital interactive noticeboards – the future of resident engagement

Our cutting-edge solution isn't just a noticeboard; it's a **smart communication hub** designed to set new standards.

Available in
two screen sizes
43" and 21"

Why choose our digital noticeboards?

- ✓ **Interactive Touch Screen**
Intuitive, user-friendly design encourages engagement.
- ✓ **High-Definition Display**
Deliver crisp, visually compelling updates.
- ✓ **Video Integration**
Bring messages to life with multimedia capabilities.
- ✓ **Live Weather Updates**
Keep residents informed with real-time local forecasts.
- ✓ **Seamless System Integration**
Open API allows smooth connectivity with your current systems.
- ✓ **Future-Ready Technology**
Built for the future utilising advanced, durable hardware to grow with your needs.
